

Crossways Management Company Limited

Approved Sales/Letting Signs: Guidance Note

- All signs are to be approved By Crossways Management Company Limited **before** they are erected.
- The location of the signs is to be approved to ensure no damage is caused to the site irrigation and services.
- Contractors must carry out the making good of the landscaped areas where signs are erected and taken down.
- Standard layout:
All signage should be in aluminium.
Height should not exceed 3 meters when in place.
Light blue background, dark blue lettering with the Agents logo at the bottom.
- Signs supports should either be metal or appropriate strutting for larger signage, painted Dark Blue.
- Authorised colours: -

Dark Blue	PMS Reflex Blue
Yellow	PMS 109
Light Blue	PMS 2707
- Examples of approved signs are set out on the reverse of this sheet.
- High Quality alternatives will be considered

Documentation should be sent to: -

49-50 Windmill Street, Gravesend, Kent DA12 1BG
